ABBAS CHU'AİB SEEDAT

About me

I'm a dedicated and passionate aquatic educator who started as a swimming teacher and worked my way up to Aquatic Team Leader. Over the past four years, I've had the privilege of helping children and adults overcome fear, build confidence, and discover the joy of swimming. I'm AUSTSWIM certified with Royal Life Saving and First Aid & CPR qualifications, and I take pride in being responsible, patient, and trustworthy. For me, teaching swimming isn't just about technique, it's about shaping confidence, safety, and a lifelong love for the water.

Professional experience

AquaStars Swim School Aquatic Team Leader | Aug 2023 – Present

- Lead and supervise the aquatic teaching team, ensuring quality lesson delivery and staff performance.
- Review and approve weekly lesson plans to maintain curriculum consistency and teaching standards.
- Conduct workshops on swimming techniques and teaching strategies to enhance learning outcomes.
- Train and mentor new instructors, including baby and special-needs swimming modules.
- Oversee pool maintenance, chemical control, and water-quality monitoring.
- Implement digital tools for chlorine tracking, safety checks, and maintenance logs.
- Prepare monthly reports and quarterly budget summaries for management review.
- Organise Activity Weeks, Assessment Weeks, and public events like World Drowning Prevention Day.
- Develop gamified learning to make lessons more engaging for children.
- Promote water safety awareness as a vital life skill among students and families.
- Foster an inclusive learning environment that builds confidence and participation.
- Maintain a reward system to motivate teachers and recognise excellence.
- Collaborate with management to improve programme structure and client satisfaction.
- Train swimming teachers for AUSWIM Certification, ensuring international standards are met.
- Produce videography content to promote programmes and increase brand visibility.

AquaStars Swim School

Senior Aquatic Teacher | Jan 2023 – Aug 2023

- Delivered swimming lessons to students of all ages and abilities, following structured programmes.
- Promoted the life skill of swimming and water safety through engaging instruction.
- Conducted student assessments and provided progress feedback to parents and guardians.
- Delivered consistent lesson plans based on the Aquastars Swim School curriculum.
- Explained and demonstrated swimming techniques, stroke development, and breathing skills.
- Identified and corrected faults in swimming techniques to improve performance.
- Maintained high safety standards by enforcing pool safety rules and conducting risk assessments.
- Performed rescues and first aid when necessary to ensure student safety.
- Built strong relationships with parents and acted as a school ambassador to maintain satisfaction.
- Motivated students and created a positive and encouraging learning environment.
- Used problem solving to address student challenges and adapt lessons to individual needs.
- Encouraged participation and confidence building for non-swimmers and nervous beginners.
- Set behavioural expectations for classes and managed lesson discipline.
- Evaluated training sessions and provided constructive feedback to support student development.
- Communicated clearly and effectively with diverse age groups and cultural backgrounds.
- Taught with patience, encouragement, and positive reinforcement.

AquaStars Swim School
– Jan 2023

Swimming Teacher and Administrator | Oct 2022
